Subject: Info. Regarding Registration (Important)

Respected Sir/Madam

We have started receiving online entries for **CBSE Athletic Meet 2016** and would like convey our gratitude for the same.

We would like to once again remind all the participating school that, **every school will be entitled to enroll one athlete only in each event, except in relay races where a team of maximum five athletes can be enrolled (Reference:- Rules of Sports and Games 2016-17).**

With reference to above we request all the participating schools to kindly make a note of the same. You are advised to delete the name of the students from your CBSE Sports portal in case you have registered more than 1 participant in an individual event & more than 5 in relay race.

We would also like to bring to your notice that if the numbers registered students exceeds more than one; in that case first registered name only will be considered in an individual event, similarly only first 5 name in relay race will be considered for registration.

Thanking You

Regards,
