Master SrikarRajesh (Grade VII) is a proud student of Edify school, Bengaluru. He is a dedicated Badminton player.

He entered the badminton court first when he was 8 years old. He started playing tournaments from the age of 11. He played his first semi-final in doubles u-13 in the tournament in a state ranking tournament in Davanagere in June 2013. Srikar played his first u-17 tournament in early July. He beat 3 older boys in the early rounds to enter the main draw there.

There are 5 age groups in which tournaments are conducted. Under 10, 13, 15, 17 and 19. At Karnataka level, a typical tournament goes through 3 rounds of qualification. These qualification matches are typically 1 game of 21 points or 30 points. After 3 such rounds, participants enter what is referred to as the Main Draw. When a player has played a sufficient number of Main Draw matches, he is given a bye through the qualification rounds and goes straight to the main draw. Srikar is now a regular in the main draw. This means that he does not have to go through the qualifying rounds. In the last 3 tournaments he has played in, he has reached the quarter finals. The level of competition has to be seen to be believed. He is consistently ranked in the top 5 in Karnataka u-13 in tournaments that happen (singles) and in the top 3 in u-13 doubles. In order to achieve this, he has put his heart and soul.

He reached Semi Finals by defeating Saket in the U – 13 boys (Quarter Finals) in the 19th Ramaiah Rajan Memorial State Ranking Badminton Tournament held in Bangalore on 12th August 2013.

He has won the doubles u-13 boys category in the State Bank Of India-Bowring Institute Five Star Ranking State Badminton tournament There were a total of 450 participants in the event.
