NEWS LETTER

Grade: V

MONTH: March 2016

When you look at the stars and the galaxy, you feel that you are not just from any particular piece of land, but from the solar system.

- Kalpana Chawla

Dear Parents,

Humans are driven to explore the unknown, discover new worlds, push the boundaries of our scientific and technical limits and then push further. The intangible desire to explore and challenge the boundaries of what we know and where we have been provided benefits to our society for centuries. Our children are well prepared to push the boundaries to explore the things to understand and gain more knowledge about our Universe.
