Newsletter

July 2022

Grade 10

Dear Parents and Students

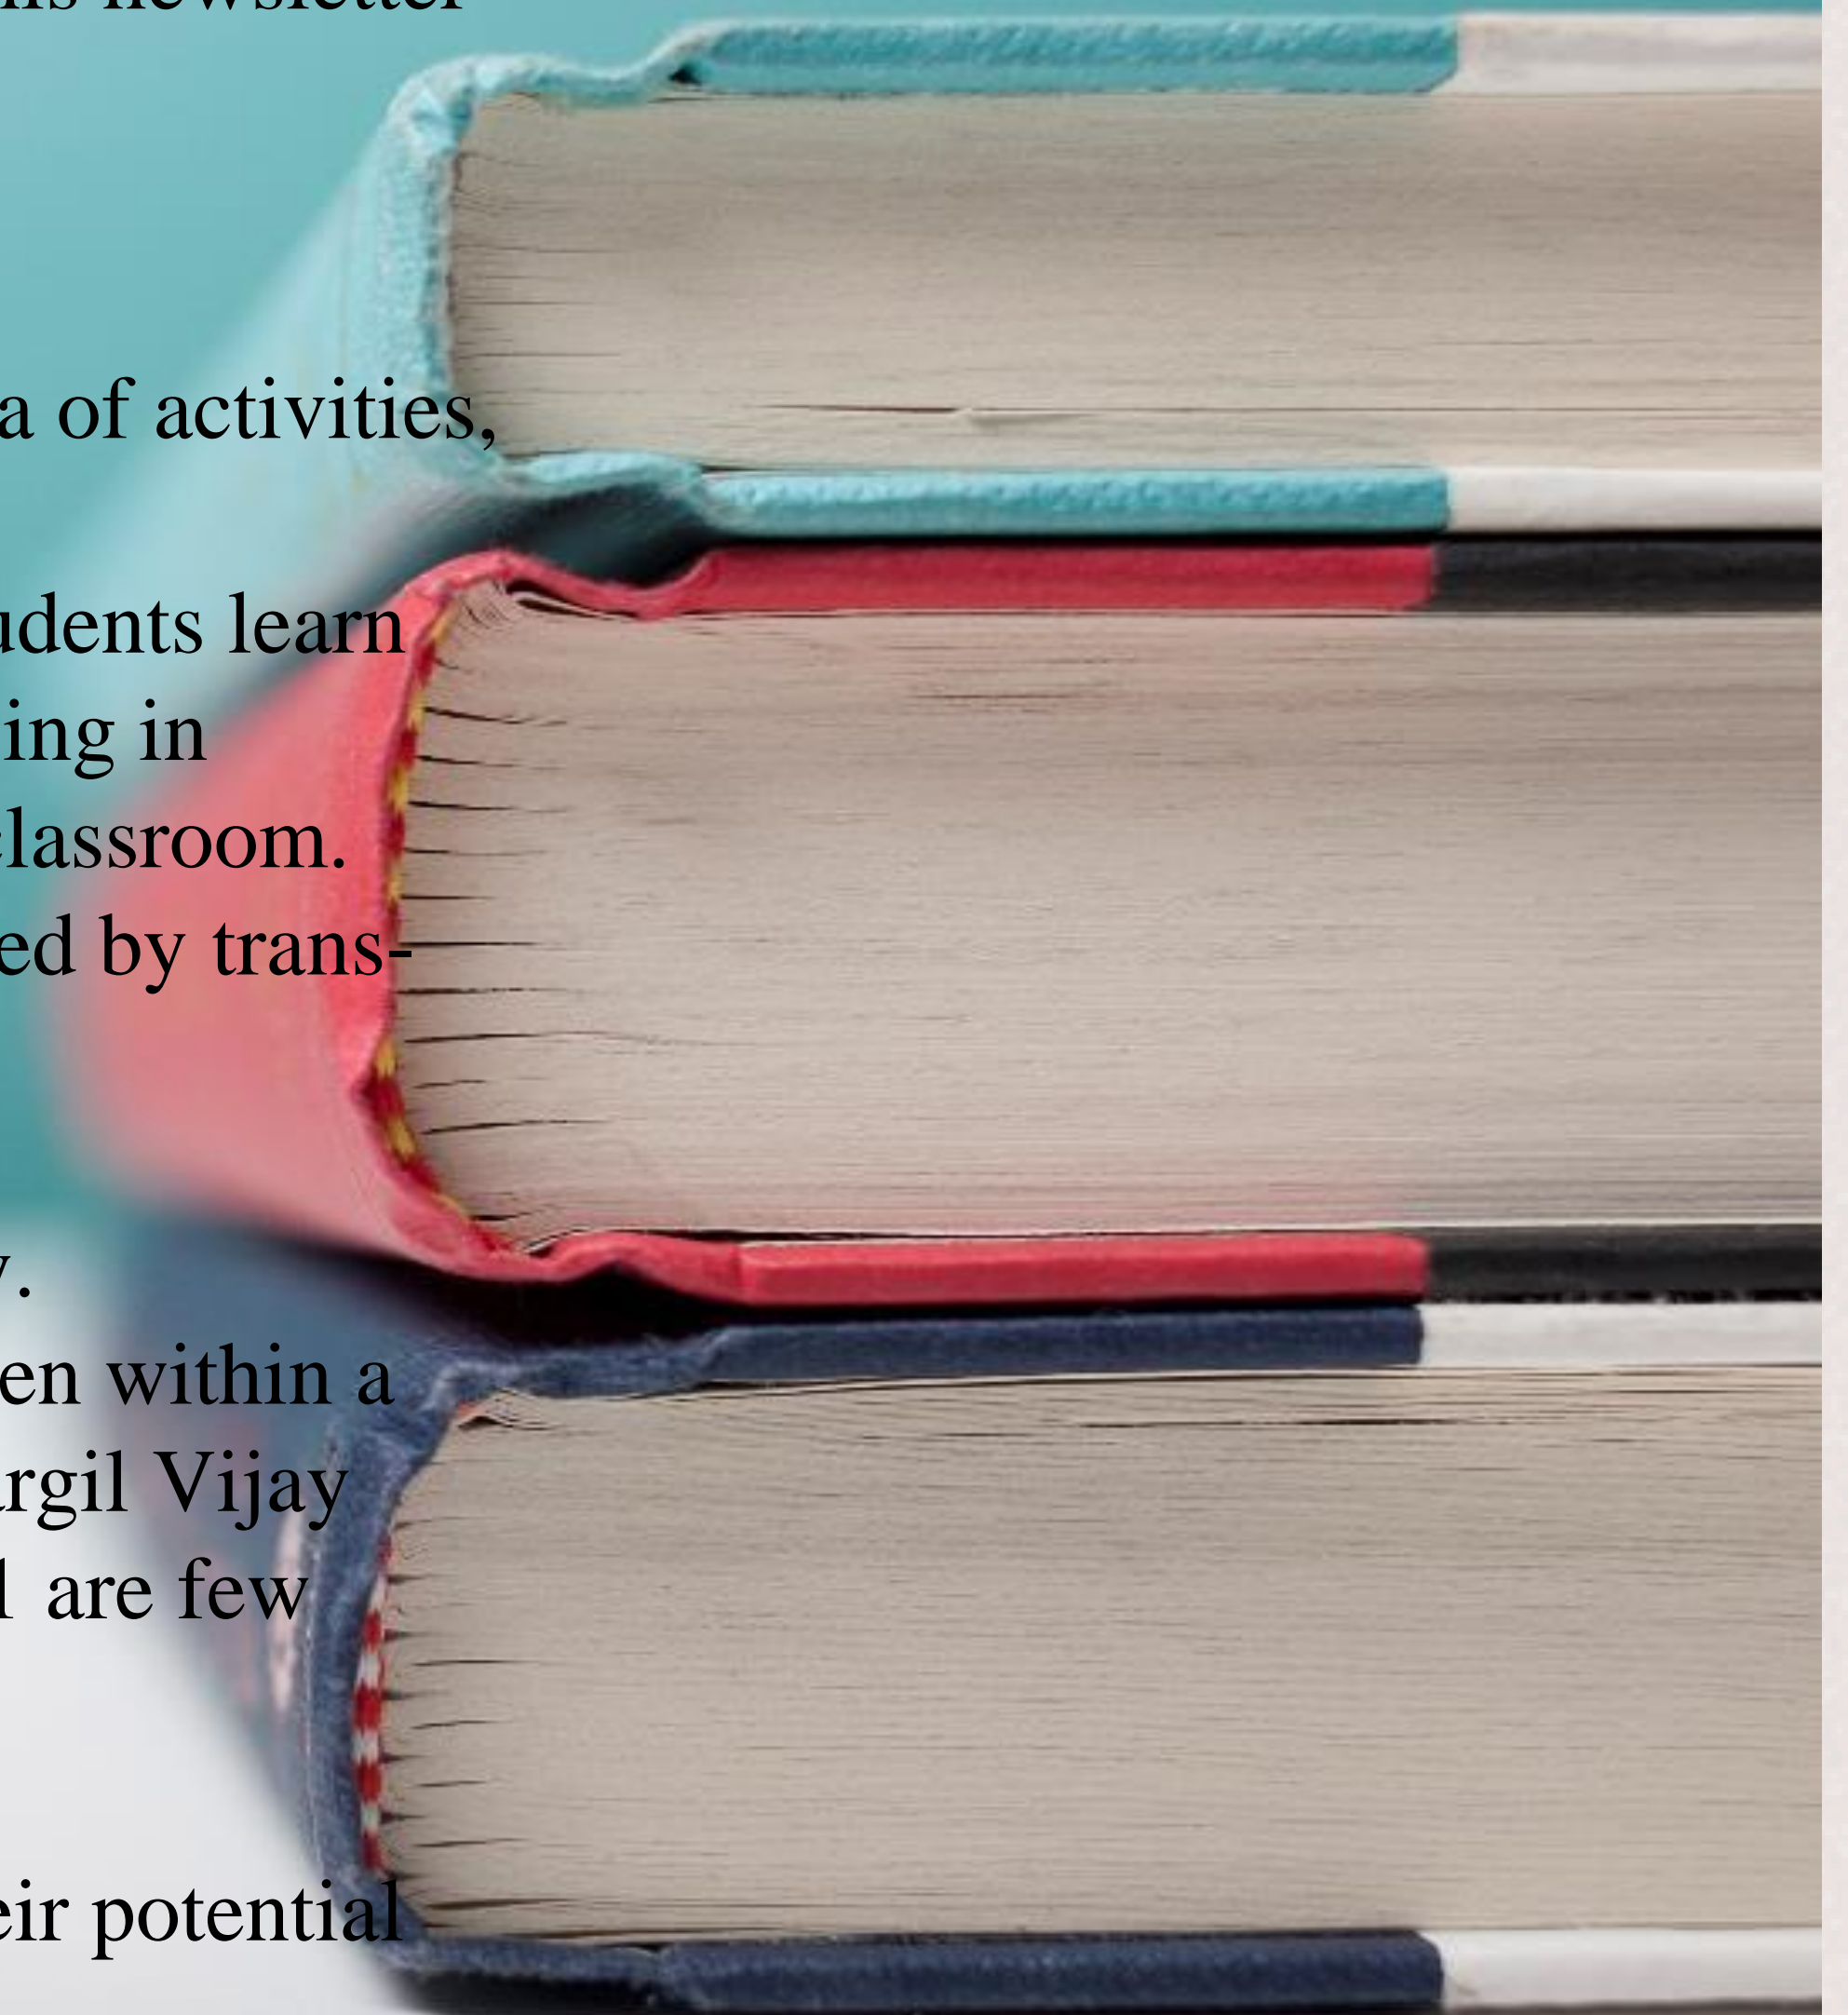

“Kites rise highest against the wind, not with it. ”

We are delighted to present, our newsletter for the month of July for the academic year 2022-2023 .We develop a close-knit through this newsletter about the happenings at the school. The newsletter will brief the highlights of the month of July.

The school is a busy place where students engage in a plethora of activities, be it the classroom, the play fields or the stage. It is but apt and ever so increasingly relevant that the students learn and equip themselves for the rapidly changing world by engaging in experiential learning with a real life context in and out of the classroom. The academic rigor that all of us strive for must be accompanied by trans-disciplinary skills that will prepare the students for life.

The rate of development in the world is growing exponentially. The amount of changes which earlier took centuries now happen within a decade or sometimes in a matter of years. July - Highlights Kargil Vijay Diwas, Investiture Ceremony for Gr 1- Gr 11. Field trips, PT-1 are few upcoming events for the month of July.

So, let us together help the students at Edify School unlock their potential and achieve the goal that each one of them is capable of.
